

Hoppy Leap Year!

Little frog gems, hidden with fun, frogs to
uncover, one by one. Behind books and
under desks they wait, silent hoppers
finding their fate.

A day of leaps, a rare treat, on a hunt for
frogs, isn't that neat?

Students sneak, with eyes so bright,
spotting frogs, what a sight.

Frogs nestled quietly, playing behind the
scene, Leap Year's secret, joyfully serene.
